Phone ( ) FAX E-mail

Comments:

- Councilman Spotted Bear would like to request a 30-Day extension to public scoping process.
- How is current water supply being factored into NAWSP
- Stop pre-clude be included in the EIS
- make previous studies available to public (libraries or line?)
- THPO be included/consulted for/before further construction
- What % of Mo. River is permitted
- What water conservation measures/efforts have been addressed
- What are the Mo. River impacts because of withdrawal
- Should restart project/conservation/? global warming

*Attach additional sheets if necessary

Please mail your comments to the address on the back of this form, or FAX your comments to 701-250-4326, or e-mail your comments to awaters@gp.usbr.gov. Thank you.

The names and comments of those making written or oral statements on this process will become part of a public record. You may request that your name and/or address be withheld from public release. Those requests will be honored to the extent permissible by law.
