Revised Water Order 2009

Dear Mr. Matuska:

As per your letter of August 7, 2009, attached is our filled out Part 417 Consultation Questionnaire for 2010 and our Water Order request for 2010. Due to our Short Term Emergency Fallowing Program (STEFP 09-10) with The Metropolitan Water District of Southern California (MWD) which started April 15th and runs thru July 31, 2010 for 13,222 acres, our Use for June thru December will be less than expected. I have enclosed our revised Water Order for 2009. This Order is subject to change, especially if we get a big storm.

If there are any questions, please call

Sincerely,

Roger Henning
