

Available Documents to Support the Leadville Mine Drainage Tunnel –Assessment

REPORTS

Emmons, S.F., Irving J.D., and Loughlin, G.F., 1927, **Geology of Ore Deposits of the Leadville Mining District**, Colorado, U.S. Geological Survey Professional Paper 148

U.S. Department of Interior – Bureau of Mines, August 1949, **Report of Investigations – The Leadville Drainage Tunnel**; Lake County, Colorado, Robert A. Elgin, M.E. Volin, James A. Townsend.

U.S. Department of Interior – Bureau of Mines, September 1949, **Report of Investigations – Examination Mapping and Sampling of Mine Shaft and Workings**; Lake County, Colorado, Norman E. Ebbley, Jr, and John Schumacher

U.S. Department of Interior – Bureau of Mines, December 1956, **Leadville Mine Drainage Tunnel – Second Project**; Lake County, Colorado, M.H. Salsbury.

U.S. Bureau of Mines Intermountain Field Operations Center, **Overview of Leadville Drainage Tunnel Project**, N.H Salsburg, June 1976. **-MISSING REPORT EXIBITS-**

U.S. Bureau of Reclamation, **Report on LMDT**, August 1976

U.S. Department of Interior – Bureau of Reclamation, **Geologic Specifications Design Data**, December 1977

Colorado School of Mines Research Institute, Golden Colorado, **Water Management Treatment System for the Leadville Drainage Tunnel** – prepare for U.S. Bureau of Reclamation, January 1978

U.S. Department of Interior – Bureau of Reclamation,
**Solicitation/Specifications D-7343-DC, Leadville Drainage Tunnel
Rehabilitation Station 0+00 to Station 6+54**, Leadville Mine
Drainage Tunnel Project, Colorado, August 1978

D'Appolonia Consulting Engineers, Feasibility Study Report -
Treatment of Leadville Tunnel Drainage, Prepared for U.S. Bureau of
Reclamation, Denver, CO 1978

U.S. Department of Interior – Bureau of Reclamation, U.S. Geological
Survey and U.S. Bureau of Mines, **Special Report – Study of Effects
on Plugging the Leadville Drainage Tunnel**. August 1979.

U.S. Geological Survey, Open-File Report 79-1538, Appraisal of
Ground Water in the Vicinity of the Leadville Drainage Tunnel, Lake
County, Colorado, November 1979

J.C. Pfahl, Chief Engineer Northern Mining Department, ASARCO
Incorporated, **Feasibility Study Plugging the YAK Tunnel**, June 25,
1984.

HRS Water Consultants, INC, Hydrogeologic Evaluation of the YAK
Tunnel and California Gulch, ASARCO, INC., July 1984.

McLaughlin Water Engineers, **Update Feasibility Study Report**,
Leadville Mine Drainage Tunnel, September 1985

Hydrometrics, Inc. Review of the EPA California Gulch Phase I
Remedial Investigation Report, prepared for Counsel for Defendants
in Civil Action No. 86-C-1675, July 1987

Morrison-Maierle-Montgomery, **Plan of Study and Cost Proposal -
Leadville Mine Tunnel Drainage Water Treatment Plant**, Prepared
for the Bureau of Reclamation, Missouri Basin Region, October 1987

Morrison-Maierle-Montgomery, Draft - Leadville Mine Tunnel
Drainage **Water Treatment Plant, Pilot Plant Study Report**,
Prepared for the Bureau of Reclamation, Missouri Basin Region, May
1988

U.S. Department of Interior – Bureau of Reclamation, Missouri Basin Regional Office, **Preconstruction Geologic Design Data**, Leadville Mine Drainage Tunnel – Water Treatment Plant, Leadville Mine Drainage Tunnel Project, Colorado, May 1988

U.S. Department of Interior – Bureau of Reclamation, **Solicitation/Specifications 0-SI-60-04100/DC-7804, Treatment Plant and Tunnel Lining**, Leadville Mine Drainage Tunnel Project, Colorado, October 1989

Portions relating to bulkhead, i.e. pp 5-14 thru 5-18 and dwg 1335-D-123

U.S. Department of Interior – Bureau of Reclamation. **Design Summary, Treatment Plant and Tunnel Lining**, Leadville Mine and Drainage Project, Colorado, January 1991.

U.S. Department of Interior – Bureau of Reclamation, **Solicitation/Specifications No. 60-C0305, Treatment Plant Modifications**, Leadville Mine Drainage Tunnel Project, Colorado, October 1994

EPA, Region VIII, **Compendium of Standard Operating Procedures for the California Gulch CERCLA Site**, Leadville, CO. April 1996

McCulley, Frick & Gilman, INC, **Evaluation of Rising Groundwater Levels Near Leadville, Colorado**, prepared for ASARCO Incorporated, March 1998

EPA, Region VIII, September 2002, **Ground Water Hydrology in the Vicinity of the Leadville Mine Drainage Tunnel Operable Unit 6 and Affected Areas**, Volumes I and II.

Karst Geophysics, **Natural-Potential Survey**, Leadville Mine-Drainage Tunnel, Leadville, Colorado, 17 January 2002

EPA, Region VIII, **Final Focused Feasibility Study - Operable Unit 6 California Gulch NPL Site**, September 2002

EPA, Region VIII, **Proposed Plan** for Operable Unit No.6 of the California Gulch National Priority List Site Leadville, Colorado. March 2003

EPA, September 2003, **Final Record of Decision**, Operable Unit 6 California Gulch Superfund Site Leadville, Colorado.

U.S. Department of Interior – Bureau of Reclamation, **Rock Mass Characterization – Data Summary Report** for Leadville Mine Drainage Tunnel, Colorado, Prepared for Environmental Protection Agency Region 8, Denver, Colorado, May 2004

EPA, Region 8, Leadville Mine Drainage Tunnel (LMDT) **Containment System Design Manual**. Frontier Environmental Services, INC., Wheat Ridge, CO. March 2005.

U.S. Department of Interior – Bureau of Reclamation, **Special Study for Leadville Valve Controlled Bulkhead**, Leadville Mine and Drainage Project, Colorado, July 2005

U.S. Department of Interior – Bureau of Reclamation, Technical Service Center, **Assessment of Remedial Design Concept**, Denver Colorado, September 2005

EPA, Region 8, **Final Draft - Hydrologic Characterization of the Leadville Mine Drainage Tunnel** – California Gulch Superfund Site, Operable Unit No. 6., September 2005

DRAFT VERSION

CORRESPONDENCE

U.S. Department of Interior – Bureau of Reclamation, **TWO THREE RING BINDERS** – copy of notes, correspondence, etc. **1966-2003**

U.S. Department of Interior – Bureau of Reclamation, **SPIRAL BOUND**– copy of notes, correspondence, etc. **1988-1990**

U.S. Department of Interior – Bureau of Reclamation, Region 7
Memorandum, Drainage Flow – Leadville Drainage Tunnel –
Fryingpan-Arkansas Project – our letter dated December 2, 1968, and
subsequent weekly observation report, Denver, Colorado January 28,
1970.

U.S. Department of Interior – Bureau of Reclamation, Travel Report –
Robert C. Hatcher, Civil Engineering Technician, Engineering and
Research Center (**Horizontal Drilling and Drain Installation at
Leadville Drainage Tunnel**) Leadville, Colorado, February 1975.

U.S. Department of Interior – Bureau of Reclamation, Memorandum,
Geologic Design Consideration – Leadville Drainage Tunnel,
Leadville Drainage Tunnel Project, Colorado, July 20, 1978.

U.S. Department of Interior – Bureau of Reclamation, Assistant
Commissioner – Engineering and Research Memorandum, **Design
and Cost Estimate for Plugging Leadville Drainage Tunnel**,
Leadville Drainage Tunnel, Leadville Drainage Tunnel Project,
Colorado Aug 1979.

U.S. Department of Interior – Bureau of Reclamation, Travel Report
(**Observe Existing Tunnel Excavation under Specifications No.
DC-7374**) May 29, 1980

U.S. Department of Interior – Bureau of Reclamation, Memorandum –
**Leadville Drainage Tunnel – Upcoming Water Level Recovery
Test (w/discussion of tunnel plug stability)** - Leadville Mine
Drainage Tunnel Project, Colorado, 1988

U.S. Department of Interior – Bureau of Reclamation,
MEMORANDUM (**Supplemental Design Data – Treatment Plant
– Leadville Mine Drainage Tunnel**) Leadville, Colorado May 02,
1989

U.S. Department of Interior – Bureau of Reclamation, Memorandum –
**Geology for Design Summary for Leadville Drainage Tunnel and
Treatment Plant** – Leadville Mine Drainage Tunnel Project,
Colorado (Geology), January 24, 1990

U.S. Department of Interior – Bureau of Reclamation, **Site Inspection Reports, Leadville Mine Drainage Tunnel Treatment Plant** – Leadville Mine Drainage Tunnel Project, Colorado August 6, 1990 – January 31st, 1992

U.S. Department of Interior – Bureau of Reclamation, **Copies of ND PES Reports sent to EPA Region 8**, March 1994 – December 2007

U.S. Department of Interior – Bureau of Reclamation, Travel Report- Gary Bone, P.E. Great Plains Region (**Leadville Mine Drainage Tunnel, Bulkhead Investigation**) June 19, 2001
