## Canal Safety PSA #2 (English)

KID 1: Hey, let's swim in the canal.

KID 2: No way! We can drown in there!

OTTO: That's right kids, canals and ditches are un-cool. Playing, running, or swimming around canals and ditches is dangerous and unsafe.

KID 1: But Otto, it's hot outside!

OTTO: Well then, cool off at a local pool, lake, or swimming area where adults can watch you. Never swim alone and always have a buddy.

KIDS: Okay!

OTTO: Otto the Otter says — Stay away from canals and ditches and stay safe this summer!
