INFORMATION TECHNOLOGY

Remote Sensing

- long-term cost of R.S.? cost saving?
- some tasks to be completed in FY2000
- some actions contingent on filling positions

Surveying

- includes no P.A. work

System Administration

- duplication of cost?—costs don't match bullets
- include staff costs to get true total costs

Database

- concern over data quality and quantity
- meta data important
- inventory under GCES?
- total cost?
- database will help scientists focus their data collection/management

Library

- does GCMRC meet records management policy?
- request for complete list of reports (GCES + →)
- investigate alternative to Dewey decimal system
- clean up Website confusion
