Frequently Asked Questions (FAQs)

What is a Commercial Use Authorization (CUA)?

A commercial use authorization (CUA) allows an individual, group, company, or other for-profit entity to conduct commercial activities and provide specific visitor services at Hoover Dam. CUAs for Hoover Dam are issued by the Bureau of Reclamation Lower Colorado Dams Office. A CUA is issued to a qualified operator to permit the provision of appropriate commercial services to Hoover Dam visitors. A qualified operator is an individual or an organization that Reclamation determines can satisfactorily provide visitor services and carry out the terms of the CUA.

What are the general criteria for receiving a CUA?

- Payment of administrative and use fees.
- The commercial activity to be authorized under a CUA will have minimal impact on Reclamation's resources and values, and be consistent with all applicable Reclamation management plans, policies and regulations.
- The CUA holder agrees to comply with all the Terms and Conditions described in the CUA.

What commercial visitor services may be authorized under a CUA at Hoover Dam?

A CUA is required if you provide any goods, activities, services, agreements, or other function for members, clients, or the public that:

- Take place at least in part on lands, waterbodies or facilities managed by Reclamation,
- Use Reclamation resources,
- Result in compensation, monetary gain, benefit, or profit.

For what length of time is a CUA issued?

CUAs are issued for a period of one year. The application period began on October 1 and is ongoing. Companies will need to reapply each year. If you apply anytime during the year the CUA Permit will be good for 1 year from the date of issuance.

Why does the Bureau of Reclamation charge a fee for a CUA?

In accordance with 43 Code of Federal Regulations (CFR) 429.3 - It is illegal to conduct business on Reclamation lands, facilities or water bodies without a use authorization.

Additionally, 43 CFR 429.1 requires Reclamation to collect application and use fees and to recover administrative costs. 100% of CUA use fees stay at Hoover Dam and are used to recover program costs, including repair and maintenance of facilities.

When are Annual fees due?

The Application Fee is due at the time of the initial application and renewal. Administrative costs payments are due following initial review and upon the issuance of a CUA pre-authorization form.

What are the insurance requirements?

Comprehensive general liability coverage is required for all CUA's and is identified in the application. Please refer to the "Minimum Coverage Amounts for Liability Insurance" document for minimum coverage amounts by type of activity. The policy shall be underwritten by a United States company naming the United States of America as an additional insured.

How long does it take to obtain a CUA?

Depending on the time of year, it takes a few days up to 30 days for us to issue a CUA. Your application may be delayed if materials are not submitted accurately or completely. Please be sure it is typed and fill in ALL the blanks in your application forms. **We do not accept typed signatures so please print, sign and scan the signature pages.** We cannot process incomplete packets, and we cannot expedite processing. *Note: Applications are processed in the order in which they are received. Incomplete applications are not placed in the queue until they are complete. Make sure to plan in advance if you need a CUA by a particular date.*

Temporary Authorization

A Temporary Authorization (TA) allows a tour operator to conduct short-term commercial activities at Hoover Dam without a CUA Permit. A TA is issued for a period of seven days and requires a \$300 penalty fee be paid to the CUA Station at the Security Checkpoint.

If the operator pursues a CUA Permit, they will be responsible for submitting a completed Use Authorization Application within **seven days** of the TA being issued. Once the application is submitted, the TA will be added as an attachment to the application and the \$300 penalty fee will go towards the Application Fee and Administrative Costs for processing the application pending approval.

If the tour operator decides not to pursue a CUA Permit, they will pay the \$300 penalty fee any time they enter the Hoover Dam Security Zone after the initial TA expires. Failure to obtain a TA while conducting commercial services in the Hoover Dam Security Zone may result in fines for each violation up to \$5,000.00 and a mandatory court appearance.
