Subject: I support the 3588 plan for the Proposed SEIS Guidelines

Dear Project Manager:

I am writing to provide feedback for the Supplementary Environmental Impact Statement (SEIS) to the Colorado River Interim Guidelines for Lower Basin Shortages and Coordinated Operations for Lake Powell.

Access to recreational opportunities on Lake Powell is a critical issue for me and my family. Losing access to Lake Powell is absolutely unacceptable.

I support the BlueRibbon Coalition's Path to 3588' Plan as it will address low water levels in Lake Powell and Lake Mead. I oppose BOR's current path of liquidating these reservoirs to the point of crisis.

Sincerely,

Bert Millett
