

**Reclamation Manual
Q3 2026**

The purpose of the Reclamation Manual is to document and communicate consistent and implementable Reclamation-wide standards and expectations. Releases outline requirements for Reclamation employees, and ensure non-Federal partners know what to expect when doing business with the Bureau. The below releases are being considered in light of Secretarial Order 3044's direction to apply streamlined processes.

Upcoming Substantive Actions/Opportunities for Comment **17**
Completed Actions **2**
