Subject: Coordination and Oversight Group (COG) Annual Report for Fiscal Year 2010

I am pleased to distribute the Coordination and Oversight Group (COG) Annual Report for Fiscal Year 2010. The report is available to Reclamation, the public, and stakeholders through Reclamation's webpage at <http://www.usbr.gov/bp/tr.html>.

The COG identified several areas of strength that are important for Reclamation to continue and five recommendations that are imperative for us to implement. Your continued support, encouragement of staff, and attention to the recommendations is essential to the full implementation of the business model and maintaining our technical capabilities.

I appreciate your willingness to engage and support the efforts of the COG. I know the activities of the COG and continued implementation of the business model will be a topic throughout the year. I look forward to our continued discussions.

If you have any questions or require additional information, please contact me at dmurillo@usbr.gov or 202-513-0508.
