

Bureau of Reclamation
FY 2018 - Distribution of Additional Funding
(\$ in Thousands)

| Category/Project | Activity | State(s) | Amount | Category Total |
|--|---|--|-----------------|----------------|
| Rural Water | | | | |
| Pick-Sloan Missouri Basin Program - Garrison Diversion Unit | New water treatment plants and improvements to existing water treatment plants | North Dakota | 19,600 | |
| Fort Peck Reservation/Dry Prairie Rural Water System | Water mainlines and branch lines construction | Montana | 15,900 | |
| Rocky Boy's/North Central Montana Rural Water System | Water treatment plant and an interim water connection line | Montana | 15,775 | |
| Lewis and Clark Rural Water System | Treated water pipeline construction | South Dakota, Iowa, Minnesota | 11,225 | |
| Eastern New Mexico Rural Water Supply Project | Clovis Pipeline construction | New Mexico | 4,000 | |
| | | Subtotal | 66,500 | |
| Fish Passage and Fish Screens | | | | |
| Central Valley Project (CVP) - Delta Division | Rock Slough Fish Screen Debris Removal System | California | 500 | |
| Lahontan Basin Project - Truckee Canal | Fish screen at Derby Dam | Nevada, California | 1,000 | |
| Yakima River Basin Water Enhancement Project - Cle Elum | Fish passage construction work at Cle Elum Dam | Washington | 3,500 | |
| | | Subtotal | 5,000 | |
| Water Conservation and Delivery | | | | |
| Arkansas Valley Conduit | Investigates regionalization of local water treatment facilities | Colorado | 2,000 | |
| Blackfoot Indian Water Rights Settlement | Contributes to Reclamation meeting funding requirements under the water rights settlement | Montana | 6,500 | |
| Indian Water Rights Settlements' Water Firming Requirement - Central Arizona Project | Purchases long-term storage credits for Secretary's firming program | Arizona, New Mexico, California, Nevada, Utah | 3,200 | |
| Central Valley Project (CVP) - Misc. Project Programs | Funding opportunity announcement for projects that conserve water and create new supplies for agricultural irrigation, and acquires water for south of delta refuges | California | 5,390 | |
| Colorado River | | | | |
| Colorado River Basin Salinity Program (CRBSP), Title I | 242 Wellfield Expansion Project | Arizona, California | 2,550 | |
| Colorado River Basinwide Salinity Program Title II (Basinwide Program) | Competitive funding opportunity for salinity control measures | Arizona, California, Colorado, Nevada, New Mexico, Utah, and Wyoming | 2,000 | |
| Colorado River Front Work & Levee System | Yuma Mesa Conduit Extension Project | Arizona, California, Nevada | 2,500 | |
| Lower Colorado River Operations Program | Water conservation activities to protect Lake Mead elevation levels, and Minute 323 implementation | Arizona, California, Nevada, New Mexico, Utah | 4,924 | |
| Upper Colorado River Operations Program | Drought response program activities in the Upper Colorado River Basin | Colorado, Wyoming, Utah, New Mexico | 1,500 | |
| Salton Sea Research Project | Various air quality and habitat restoration measures | California | 1,500 | |
| | | Subtotal Colorado River | [14,974] | |
| Columbia Basin Project - Ephrata | Pasco Pump Lateral, Potholes Supplemental Feed Route, and oversight and design for a pumping plant and pipeline delivery system for the Odessa Ground Water Replacement Program | Washington | 1,990 | |
| Cooperative Watershed Management Program | On-the-ground water quantity or water quality activities | Western United States | 1,000 | |
| Drought Response Program | On-the-ground drought response activities | Western United States | 4,500 | |
| Klamath Project | Drought relief and mitigation activities | California, Oregon | 10,300 | |
| Lower Rio Grande Water Conservation Project | Activities to reduce raw water conveyance losses | Texas | 1,000 | |
| Recreation, Fish and Wildlife Program Administration | Actions to prevent and combat infestation of quagga and zebra mussels, and improve Reclamation recreation facilities | Various | 1,221 | |
| Yakima River Basin Water Enhancement Project | Improvements to irrigation operational efficiency to conserve water | Washington | 3,000 | |
| | | Subtotal | 55,075 | |
| Water Conservation and Delivery - WIIN (Section 4007)* | | | | |
| *Premature to recommend projects within this category | | TBD | TBD | |
| | | Subtotal | 134,000 | 189,075 |
| Environmental Restoration or Compliance | | | | |
| Central Valley Project (CVP) - West San Joaquin Division | San Luis Demonstration Treatment Facility - Drainage | California | 1,500 | |
| Colorado-Big Thompson Project | Grand Lake Clarity Project | Colorado | 500 | |
| Columbia/Snake River Salmon Recovery Project | Habitat restoration and fish monitoring | Idaho, Oregon, Montana, Washington | 2,500 | |
| Leadville/Arkansas River Recovery Project | Design for hydraulic tunnel plug and water treatment replacement | Colorado | 1,050 | |
| Middle Rio Grande Project | Water leasing pilot program and Isleta Pueblos Bosque restoration | New Mexico | 1,000 | |
| Recreation, Fish and Wildlife Program Administration | Recreation facilities and upgrades across Reclamation | Various | 484 | |
| Rogue River Basin Project, Talent Division | Habitat restoration, conservation piping projects, and flow acquisition opportunities required by Biological Opinion | Oregon | 1,400 | |
| | | Subtotal | 8,434 | |
| Environmental Restoration or Compliance - WIIN (Section 4001 & 4010) * | | | | |
| Central Valley Project (CVP) - Delta Division | Various efforts to modernize fish monitoring, strengthen partnerships, and provide flexibility to maximize water supplies in the CVP | California | 12,631 | |
| Central Valley Project (CVP) - Miscellaneous Projects | Sacramento River salmonid habitat restoration | California | 2,000 | |
| Central Valley Project (CVP) - Sacramento Division | Red Bluff fish monitoring | California | 3,305 | |
| Central Valley Project (CVP) - Shasta Division | Restoration of Battle Creek and juvenile fish collectors | California | 3,000 | |
| Central Valley Project (CVP) - Water and Power | Reinitiation of Consultation on Long-Term Operations of the Central Valley Project and State Water Project | California | 10,000 | |
| Cachuma Project | Water system at Hilton Creek | California | 300 | |
| Endangered Species Recovery Implementation | Conservation easement at Willow Creek Ranch | California | 330 | |
| | | Subtotal | 31,566 | 40,000 |
| Facility Operations, Maintenance, and Rehabilitation | | | | |
| Columbia Basin - Grand Coulee Project | New fire station | Washington | 500 | |
| Columbia Basin Project - Ephrata | Pasco Pump Lateral wasteway | Washington | 300 | |
| Fryingpan Arkansas Project | Repair of three contraction joints to eliminate leakage | Colorado | 2,000 | |
| Rio Grande Project | Installation of flow meters inside of the outlet works | New Mexico, Texas | 50 | |
| Recreation Facility Infrastructure Improvement | Recreation facilities and upgrades across Reclamation | Various | 1,150 | |
| | | Subtotal | 4,000 | |
| Total of Additional Funding Ready for Distribution | | | 170,575 | |
| Total of Additional Funding Awaiting WIIN Criteria | | | 134,000 | |
| Grand Total, all Additional Funds Provided in FY 2017 | | | 304,575 | |
