Based on my conversation with Rod this afternoon and additional reflection, attached is the final draft I plan to have available for discussion tomorrow. I will have copies in hand in case we decide to distribute.

Hi Folks,

Thanks, Russ. It's good to have this material in one place. The comments here are my attempt to connect the dots the way I think of this in my head. If this does not make sense or if we don't have the data we need, please disregard.

Nice work and thanks for the chance to comment.

Hi Leslie,

Attached is my latest draft summarizing potential socioeconomic impacts of the NGS No Action Alternative. I incorporated your suggestions and copied Dave and Rod here to solicit their input. I'm available anytime if you have any questions.

Thanks,
Russ
