Good Morning, Chris:

I am writing on behalf of DOI as indicated in the March 3, 2017 email from David Palumbo to follow up on the following action item assigned to you at the end of the March 1 meeting:

EXPLOREPOTENTIAL FUEL COST REDUCTIONS

Peabody Energy (lead) in coordination with Hopi Tribe, Navajo Nation, and Reclamation.

The Department would like a status update as follows:

- Please indicate the parties that are working together on this item, with individual names and the organizations they represent
- Please indicate your schedule of interactions (e.g., meetings, conference calls, etc.) with this group leading up to the next meeting (scheduled for April 12) and any to-do list that you have developed for this task
- If possible, please provide a high-level overview of the information you plan to present at the April 12 meeting, and which media you are planning to use for your presentation (e.g., PowerPoint, handouts, etc.)
- Please let me know if you would like any assistance from me—the DOI has made me available as facilitator for this process. I can help schedule, facilitate and/or document meetings, develop presentation materials, etc.

Thank you in advance for your assistance. I would like to be able to report back to DOI by Friday, March 17.

Best wishes

Kristin
