Hello again,

The below meeting has been scheduled with Acting Deputy Secretary Jim Cason. Among other topics, AZ Governor Ducey would like to discuss:

- The positive role the State of Arizona might play in the NGS closure scenario; and
- The drought issues on the Colorado River and the role of the State of Arizona in addressing them

Would you please coordinate briefing materials to address these two topics in preparation for this meeting.

Please let me know if you have questions.

Many thanks.

Deb
