Robyn,

There hasn't been much activity. During our NGS consultation, GRIC asked us to respond to several questions that I thought would be the precursor to this discussion. I have attached the list of questions and answers. We haven't had any follow up with GRIC on the responses. I'll let you know if we hear anything further.

Lawrence and Leslie:

I have heard from you regarding getting connected to the CAP Tribal Impacts Workgroup. Can you let me know what we should do to get plugged in?

Subject: Navajo Generating Station - CAP Tribal Impacts Workgroup

Leslie and Lawrence:

Pursuant to the discussion today at the ITCA Tribal Leaders Water Policy Council meeting presentation, on behalf of the Yavapai-Apache Nation and Pascua Yaqui Tribe, would you please connect us to the NGS CAP Tribal Impacts Workgroup in order to participate. Thank you!
