Thanks David,

Tomorrow morning would be fine, thanks. We are just going to have to make flight arrangements soon if this is possible.

Thanks,

&gt;&gt; Dear sir:

&gt;&gt;

&gt;&gt; Just following up on this e-mail I sent last week.

&gt;&gt;

&gt;&gt; Dear Mr. Palombo:

&gt;&gt;

&gt;&gt; I am the Government Affairs Director for the United Mine Workers of America, the union representing the workers at the Kayenta mine in the Navajo Nation. As you may know, Kayenta feeds the Navajo Generating Station. Our members at Kayenta are understandably very concerned about the future of NGS and the impact a premature closing will have on their jobs, their families and their communities.

&gt;&gt;

&gt;&gt; It has come to our attention that there will be a meeting at DOI on April 12 regarding the NGS matter. I and some of our local representatives would like to attend that meeting. Can you advise as to the process for how we can do that?

&gt;&gt;

&gt;&gt; Thanks,

&gt;&gt;
