

Group Use Shelter Reservation Process at Canyon Ferry

To equitably accommodate increasing public demand for group use shelters at Canyon Ferry Reservoir, the Bureau of Reclamation instituted the following procedures for handling group use shelter reservation requests:

A random drawing will be held on the third Thursday in February each year. The results of the drawing will be made available immediately.

To be eligible for the drawing, group use shelter reservation request forms must be received at the Canyon Ferry Office by close of business on the date stated on the form for that year. Follow this link for the [Group Reservation Request Form](#). Reservations will be taken on a first-come, first-served basis for locations and dates still available after the cut off date of each year.

Group use shelter reservation request forms and additional information can be obtained by contacting Reclamation's Canyon Ferry Office at 7700 Canyon Ferry Road, Helena, Montana, 59602 or by telephone at 406-475-3921.
