Subject: Bighorn River Dam and Reservoir Working Group Meeting

On January 17, 2008, the Bureau of Reclamation will be hosting the Bighorn River System, Long-Term Issues Working Group (Group) meeting at the Montana State University – Downtown Campus in Billings, Montana. A draft meeting agenda is included at the end of this message. Your participation is welcome and would be greatly appreciated.

Topics will include:

- Discussion on the Group's Scope of Work
- Presentation on Bighorn River Fisheries
- Presentation on Managing Conflict
- Updates on Technical Team Activities

Information pertaining to previous meeting discussions and topics is available on our Website at <http://www.usbr.gov/gp/mtao/> for your review.

For more information, please contact Lenny Duberstein at 406-247-7331 or at lduberstein@gp.usbr.gov .

Sincerely,

Lenny Duberstein, Manager
Planning & Project Development Division
