

# PIOCHE POWER LINE GETS AID

---

CARSON CITY, June 28. (U.P.)—The Nevada Colorado river commission, in the second day of its organization session, today voted unanimously to support the application of the Lincoln county power district for federal funds to finance the cost of constructing a power line from Boulder dam to Poche.

Ed W. Clark of Las Vegas, veteran river commissioner, stressed the importance of this development, characterizing it as the most important project on the horizon to arise out of the Boulder dam project.
