

# Clark County To Get Boulder Cash

RENO, Nev. Feb. 13 (UP) — Attorney General Gray Mashburn today ruled that Clark county will receive the \$60,000 due it under the terms of the Boulder dam legislation passed by the last legislature.

The attorney general said that Treasurer Dan Franks must accept the \$300,000 check, deduct Clark county's payments and deposit \$240,000 in the general fund.

Mashburn takes the position that there is a moral obligation to pay Clark county, based on the late Senator Key Pittman's promise to congress as Nevada's representative.

The attorney general holds the legislation passed by the last session constitutional.
