

Edgar Kaiser Weds Mead's Daughter

WASHINGTON, D. C., Aug. 24 (Special)—Edgar F. Kaiser, eldest son of Henry J. Kaiser, who is chairman of the executive board of Six Companies Inc., and recently elected president of the Associated General Contractors of America, was married today to Miss Sue Mead, daughter of Dr. and Mrs. Elwood Mead, at nine o'clock in this city. Dr. Mead is director of the bureau of reclamation.

The romance started in this city several months ago, just after the younger Kaiser came here with his father, after the latter had been named president of the contracting association.

After a short honeymoon the couple will come to Boulder City where young Kaiser will be employed.
