

# Southern Nevada's First Dial Phones Are Put to Work

---

Fourteen Automatics In  
U. S. Administration  
Bldg. In Operation.

---

Southern Nevada's dial phones were put to work for the first time yesterday, in the administration building, having been installed as the first contingent of a system of about 40 to be used by government offices on the Hoover dam reservation.

Those now working, with their numbers, are as follows:

Young, 10; Page, 11; Lowry, 12; Mills, 14; Baird, 15; Shepard, 16; Matthews, 17; Dotson, 21; Thaxton, 23; C. F. Williams, 20; Alexander, 19; Calland, 22; C. P. Williams, 13; and drafting room number two, upstairs, number, 18.
