**Subject:** Hoover Dam Facilities and Visitor Center Exhibits will return to 25% capacity Friday July 23, 2021

**Sent:** July 23, 2021

Hoover Dam Visitor Center Exhibits and the Original Exhibit Building will return to 25% capacity at 9:00 a.m. on Friday July 23, 2021. **There are no Hoover Dam tours at this time.**

To help manage wait times due to reduced operating capacity and expected high demand, tickets must be purchased on-site, in person and are available on a first-come, first served basis. If you are purchasing tickets for others, your entire group must be on-site, and enter Visitor Center together. No tickets will be sold online at this time.

**Mask Required for everyone inside the Visitor Center Building and Original Exhibit Building regardless of immunization status. Please maintain six (6) feet of social distance between groups.**

Commercial vehicles are temporarily allowed to load / unload in the Hoover Dam Parking Garage without a Visitor Center ticket.

As operational conditions change, we will provide email updates as needed.

Should you have any questions, please feel free to contact me via email or phone.
