

Goedetic Survey Headquarters Here

11-26-34

Las Vegas will be headquarters for a large party of the United States Coast and Geodetic survey for the next three weeks, it was learned this morning.

The party of 40 engineers, is in charge of Lieutenant Charles Pierce, U. S. N., and is continuing its work of triangulating the entire western country.

Headquarters will be maintained in the old Tower Market building on Fifth street during the party's stay here.

D. R. Schuyler, son of Mr. and Mrs. W. N. Schuyler of this city, is one of the members of the party.
