

# ARIZONA TO PRESS BOULDER DAM WAR

Washington, March 11—(AP)—Arizona will fight in the supreme court Monday to prevent the construction of the Boulder Canyon dam on the Colorado river, for which bids were opened recently.

California, Nevada, Utah, New Mexico, Colorado and Wyoming, as parties to a compact for the construction of the dam, have joined Secretary Wilbur in urging the court dismiss the Arizona suit.

Asserting the act of congress for construction of the dam is unconstitutional because it would be deprived of water to which it is entitled, Arizona asked the supreme court to declare the Colorado river compact and the Boulder Canyon project act invalid and to prohibit Secretary Wilbur and the states from proceeding.
