

Boulder Ranger Gets New Honor

Another laurel is soon to be added to the career of Ranger O. P. Senter, it was learned today. Senter, who was a motorcycle officer in the Rocky Mountain parks before coming to Boulder City, will, it is expected, be one of the escorts to President Franklin D. Roosevelt on his visit to the Boulder Canyon project on September 26.

During his career as a policeman, Senter has served as a motorcycle escort to Queen Marie of Rumania, Colonel Charles A. Lindbergh, ex-President Herbert Hoover, Art Goebel, and former world's champion Max Baer. Senter was a member of the Denver police force when Queen Marie, Colonel Lindbergh, and Art Goebel visited the Colorado city.
