

# Disastrous Blaze Fought in Boulder

---

One of the most disastrous fires ever to occur in Boulder City broke out at the home of Mr. and Mrs. E. O. Phipps, of 656 Avenue D, yesterday shortly before noon.

The house, property of Six Companies Inc., was badly burned inside, and clothing and furnishings belonging to the occupants of the three-room structure were badly damaged.

The insurance department of the contracting firm estimated that \$200 worth of damage had been done to the house alone by the blaze, the origin of which is not yet known.

Both fire departments went to the scene of the blaze, quickly extinguishing the fire.
