

Colorado Party Is Visiting at Dam

A group of twenty boys from Grand Junction, Colorado, under the conductorship of Rudy Abrecht, secretary of the Y. M. C. A. of Grand Junction, made the trip to Boulder City and the dam yesterday.

The group left Grand Junction on June 12 and have been making an extensive tour of the western states, with Boulder dam being one of the high spots of the tour.

The youths have been making the trip in two school busses, carrying their own camping equipment and last night made their camp in Bootleg canyon. The party spent this morning at the lake boating and swimming and planned to leave later in the day for Arizona.

This trip is being sponsored by merchants of Grand Junction and the Daily Sentinel, newspaper of that town, as a result of a contest held there. The boys making the trip were those who had the highest number of votes at the close of the contest.
