

# 5 GOVERNMENT FAMILIES LEAVE DAM PROJECT

10-28-35  
Workers on Dam Being  
Transferred to Other  
Jobs by Government

Five government families are leaving Boulder City soon as their chiefs are transferred to various bureau of reclamation projects throughout the west.

Mr. and Mrs. George Tank of Las Vegas will be leaving in the near future for the All-American canal job near Yuma, where Tank, who is a transit man, is being transferred.

Mr. and Mrs. Louis B. Ackerman, well-known Boulder City residents, are leaving for Washington, where Ackerman, who is an assistant engineer, is being transferred to the Columbia basin project at Coulee dam.

**MR. AND MRS.** Lewis E. Kramer, who have been making their home at 710 Park street, are leaving for Yuma, where Kramer, who is an assistant engineer, is being transferred.

David M. Kime, well-known in Boulder City, is leaving on November 1 for the Columbia basin project at Coulee dam, where he is being transferred as an inspector by the buerau of reclamation. While in Boulder City Mr. and Mrs. Kime have been living at 416 Arizona. Mrs. Kime will accompany him.

**MR. AND MRS.** Cecil D. Scott, of 519 Utah street, are leaving soon for Yuma, as Scott has been transferred as an instrument man to the All-American canal project.
