## DISPUTE PUT OFF

12-17-35  
SALT LAKE CITY, Dec. 17—  
(U.P.)—Representatives of the six  
Colorado river pact states were  
in adjournment today, until De-  
cember 28, at which time they  
will renew their attack on Ari-  
zona's claim for additional Colo-  
rado river apportionment.

The delegates, meeting yester-  
day at a call from Governor  
Henry Blood, of Utah, tentatively  
agreed to ask the supreme court  
to grant an extension of time in  
answering Arizona's suit. The  
deadline now is January 13.

It was reported at the meeting  
here that Arizona would not re-  
sist the request for a delay until  
February 24.
