

# Fifty More Homes

## To Make Total 400

1279/31  
Fifty new houses for company employees have been authorized by Six Companies. These will be built presumably in block 35 and block 36, on the east side of town. As soon as materials arrive construction will begin.

This will bring the total of houses in the "village" to 400, as 350 have been built to date, and all but 14 are completed and occupied.

There are eight others located on Ash street, five and six rooms which are not included in the above
