

Clark Second In Number of Autos in State

Clark county's automobile "population" increased by leaps and bounds during the past year, figures received from the motor vehicle department in Carson City today revealed. This area is far up in the lead for second place in the list of counties and is topped only by Washoe county in the number of autos.

Clark county also cut in heavily on the Washoe county edge and now has more than half the number of registered as are registered in the northern county. Clark has more than double the amount of White Pine county, which is in third place.

The figures for the several counties follow:
