

Dam Worker Killed In Yermo Sunday

3/24/32
Joe White, who is well known in Las Vegas and who has been working on the Hoover dam project was killed Sunday night at Yermo, California, allegedly by G. B. Tumbleson, who also has been working on the project, it was revealed here today.

The two were fighting over a girl and Tumbleson stabbed White with a knife, officers said. White died from the wound a short time later.

White lived in Yermo and was known throughout that vicinity. Tumbleson came to Nevada from Texas and was employed as a straw boss.

Tumbleson is being held at Yermo under a \$3500 bond.
