

# Prizes Awarded In Best Yard Contest

3/12/32

Three special prizes were awarded to the three best front yards of the two and three room houses belonging to the Six Companies, Inc. An arborvitae was given for planting in all three of the yards.

Prizes will be awarded each month for the best yard by the Six Companies Inc., for this contest held to promote the beautifying of the city.

Three women act as judges and award the prize on the appearance of the front yard.

Mrs. Charles W. Stuart of 650 Avenue D., Mrs. Dan Hartle, 628 California avenue, and Mrs. Geo. Backley, 656 Avenue C., received the plant to further the beauty of their front yard.

Much is being done toward the planting of the gardens, and there are expected to be many more contestants in the following months, according to V. G. Evans, who awarded the prizes to the three gardens.
