

# License Drive In Boulder City On

3/21/32

Collection in Boulder City of county cigarette, pool table, and other statutory licenses was ordered last week by District Attorney Harley A. Harmon, and Sheriff Joe Keate spent Saturday in the new Nevada city informing operators of all businesses coming under the license provision of the necessity for complying with the law.

The injunction issued against county authorities by the federal court halting temporarily, all efforts to collect taxes, was directed only to personal property of Six Companies, Harmon said.
