

Big Boulder Area Map to Be Shown

4/9/32

The proof of a big map has been received by the Las Vegas Chamber of Commerce. The map will soon be on display at the secretary's office of the Chamber of Commerce, and it shows the entire vicinity about Las Vegas and the Hoover dam territory. According to Nye Wilson, secretary of the Chamber, the map is the most complete to have been put out.

The Automobile Club of Southern California, has been responsible for the map, and it shows the highway, and road routes to all points of interest thruout this territory.
