

More Than 140 B. C. Cars In Tunnel Parade

More than 140 automobile loads of Boulder City people made the trip thru the tunnels yesterday with the teachers of the state and their Las Vegas friends, in the final automobile caravan before diversion of the water.

The total number of cars making the trek thru the workings was 467, by police count.

Entering the gate were 325 cars, leaving around 140 to join the caravan in Boulder City.
