# John C. Page Is Rotary Speaker

John C. Page, bureau of reclamation official at Boulder City, and for many years closely associated with the operation of Grand Junction Colorado, featured the regular program of the Las Vegas Rotary club today with a discussion of the city manager form of government.

Page unqualifiedly recommended the plan as the solution to Las Vegas' municipal difficulties and outlined his experience with the system in his former home.

The program was also featured by vocal solos by Mrs. Arthur Sant accompanied at the piano by Mrs. Eldon Larsen.
