

Government Has Spent More Than Million On City

3/11/32

That the federal government officials were in earnest when they announced they would give the builders of Hoover Dam every modern comfort, and that the government expects Boulder City to be a permanent town is indicated by figures showing expenditures to date by the government on the city:

Water system	\$ 440,792.72
Sewer system	73,550.50
Streets, grading, paving	258,394.48
Electric distribution system	38,905.21
Landscaping	18,074.50
Administration Building	61,916.52
Municipal Bldg.	45,913.82
Dormitory (gov.) ..	34,062.41
Government Residences	166,182.05
Government Garage	7,680.95
<hr/> Total to date	<hr/> \$1,145,473.16
