

# ELY ORDERS NEW STAGE TERMINAL INTO USE APRIL 1

Two Bus Lines to Use  
New Structure Com-  
pleted Last Week

Sims Ely, city manager of Boulder City, will today issue an order for all passenger and freight trucks to use the new terminal station on the corner of Nevada and Arizona streets.

The terminal was built by F. H. Gottwals and the station has been completed and ready for use for about a week.

The station contains rest rooms, and parking space, there are also freight loading platforms and a small warehouse.

Two bus lines will be using the new terminal within a week it was announced today.
