

# Electricians Plan Dance at "Rooster"

One of the more interesting of this season's social functions will be the Electricians' dinner dance, according to plans that have been made.

C. A. Harris, chief electrician for Six Companies Inc., and Mrs. Harris will be the honor guests at the affair when the electrical department now at work on the Boulder dam seek to entertain themselves and their ladies at Las Vegas' Red Rooster night club. Dinner is to be served at 8 o'clock.
