To: All Interested Persons, Organizations, and Agencies

From: Carol Lynn Erwin
Acting For Area Manager

Subject: Record of Decision/Findings of No Significant Impact (FONSI) and Final Environmental Assessment (EA) for a Fish Barrier in Hot Springs Canyon, Cochise County, Arizona

The Bureau of Reclamation and the Bureau of Land Management (BLM) have each determined that construction and operation of a fish barrier in Hot Springs Canyon will not be a major Federal action significantly affecting the quality of the human environment. A copy of the final EA, BLM Decision Record/FONSI, and Reclamation FONSI are provided on the enclosed CD-R. Paper copies of these documents are available upon request. They are also available at http://www.usbr.gov/lc/phoenix.

The pre-decisional draft EA was mailed to 136 potentially affected or interested individuals, organizations, and agencies for public comment on November 6, 2008. The draft EA was also available on Reclamation’s Phoenix Area Office web site. Nine entities submitted written comments in response to the draft EA. These comments and the agencies’ responses are included in Appendix B of the final EA.

The BLM decision is subject to a 30-day appeal period in accordance with 43 Code of Federal Regulations Part 4, General Appeal procedures, and may not be implemented until conditions under this regulation have been met. Please contact Ms. Heidi Blasius, BLM Safford Field Office, for information concerning the appeal process at 928-348-4427, or refer to attached Form 1842-1 (Information on Taking Appeals to the Interior Board of Land Appeals).
