Mr. Charlie Cassens
Interim City Manager
City of Lake Havasu City
2330 McCulloch Boulevard North
Lake Havasu City, AZ 86403-6524

Subject: Approval of Calendar Year 2010 Diversion for Lake Havasu City (City)

Dear Mr. Cassens:

In accordance with Title 43, Code of Federal Regulations Part 417, this letter provides the City with the Bureau of Reclamation's determination regarding the City's proposed diversion and beneficial use of Colorado River water during calendar year 2010.

Under its Colorado River water delivery contract with the United States (Contract No. 3-07-30-W0039), the City is entitled to divert up to 19,180 acre-feet of Arizona fourth-priority Colorado River water per year for use within the City's contract service area. The City also holds a fifth and sixth priority right for an unspecified amount of water as well as an entitlement to 6,000 acre-feet of Arizona fourth-priority Colorado River water under the contract with the Mohave County Water Authority.

Based upon the review of factors related to the diversion estimate provided by the City, Reclamation hereby approves the diversion of up to 18,750 acre-feet of Colorado River water for use in the City's service area for 2010.

Reclamation will monitor and project diversions and consumptive use of Colorado River water during calendar year 2010 in an effort to ensure that the entitlement of each authorized user is not exceeded. Beginning in February 2010, these projections will be available to water users on a daily basis on Reclamation's web site: www.usbr.gov/lc/region/g4000/hourly/forecast10.pdf. It is expected that Arizona entitlement holders will use this information to adjust diversions to remain within approved annual quantities.

Thank you for submitting the City's diversion estimate for 2010. If you have questions, please contact Mr. Paul J. Matuska at 702-293-8164.

Sincerely,

LORRI GRAY-LEE
