Subject: Approval of Calendar Year 2010 Diversion for the Wellton-Mohawk Irrigation and
Drainage District (District)

Dear Mr. Grubaugh:

In accordance with Title 43, Code of Federal Regulations Part 417, this letter provides the District with the Bureau of Reclamation's determination regarding the District's proposed diversion and beneficial use of Colorado River water during calendar year 2010.

Under the District's contract with the United States for delivery of Colorado River water (Contract No. 1-07-30-W0021), the District is entitled to divert sufficient water to supply a consumptive use of up to 278,000 acre-feet.

Based upon review of factors related to the diversion estimate provided by the District, Reclamation hereby approves the diversion of up to 424,350 acre-feet of Colorado River water for use in the District's service area for 2010.

Reclamation will monitor and project diversions and consumptive use of Colorado River water during calendar year 2010 in an effort to ensure the entitlement of each authorized user is not exceeded. Beginning in February 2010, these projections will be available to water users on a daily basis on Reclamation's web site: www.usbr.gov/lc/region/g4000/hourly/forecast10.pdf. It is expected that Arizona entitlement holders will use this information to adjust diversions to remain within approved annual quantities.

Thank you for submitting the District's diversion estimate for calendar year 2010. If you have questions, please contact Mr. Paul Matuska at 702-293-8164.

Sincerely,

Lorri Gray-Lee
Regional Director
