RE: Estimates of Diversions - Colorado River 2022

Dear Mr. Shields,

Please find below the City of Needles estimates of diversions by month for CY 2023. The City has taken into account the impact of the anticipated water reductions at the River Edge Golf Course. The River Edge Golf Course phase 1 - turf removal shall be completed and an water reduction of 232 acre-feet (40% course turf removed) has been accounted for.

At such time phase 2 - irrigation system supply upgrade is completed an adjusted water order will be completed as needed.

The Needles entitlement to the LCWSP per the SCIA agreement has been limited to 527 acre-feet.
