Dear Mr. Kightlinger:

**SUBJECT: SOUTHERN NEVADA WATER AUTHORITY NOTICE OF AVAILABILITY OF UNUSED APPORTIONMENT FOR STORAGE BY METROPOLITAN WATER DISTRICT OF SOUTHERN CALIFORNIA - 2013**

The Southern Nevada Water Authority (Authority) and Colorado River Commission of Nevada (CRCN) staff consulted with Metropolitan Water District of Southern California (Metropolitan) staff on October 14, 2013, regarding the availability of a portion of Nevada's basic Colorado River apportionment for interstate banking by Metropolitan during 2013. The Authority confirms it would like to direct a portion of its Nevada basic Colorado River apportionment to Metropolitan for interstate banking during 2013.

Under Section 3.1 of the Storage and Interstate Release Agreement (SIRA) among the United States, Metropolitan, CRCN, and the Authority; and Section 2.1 of the Second Amended Operational Agreement, the Authority would like to pursue making unused Nevada basic Colorado River apportionment available for storage by Metropolitan during 2013.

Under Article 3.2 of the SIRA, please notify the Authority and the Secretary of the Interior if Metropolitan will pursue storing approximately 70,000 – 75,000 acre-feet offered above during 2013.

If you have any additional questions, please contact John Entsminger at (702) 875-7080 or Colby Pellegrino at (702) 822-3378. Thank you for consideration of this request. We appreciate your willingness to help southern Nevada secure future water supplies.

Sincerely,

  
Patricia Mulroy  
General Manager
