To: Ms. Jayne Harkins
Attention: BC00-4600

From: Grand County Council

Subject: Colorado River Interim Surplus Criteria

This letter is in support of the "Seven State Proposal" for Interim Surplus Guidelines on the Colorado River.

We feel this proposal will allow us to receive our allotted share of the Colorado River water while easing the burden on those states that are currently using in excess of their allotted share.

Thank you.

1: The preferred alternative in this EIS is derived from the Seven States Proposal. Reclamation did not structure the preferred alternative precisely as described in that draft proposal, but made some changes for consistency with the purpose and need of the proposed action, Reclamation policy and operational procedures.
