

## LIST OF PREPARERS

This Final EIS/EIR was prepared by Reclamation and CVWD with the assistance of MWD. KEA Environmental, Inc. has provided the technical support to produce this Final EIS/EIR.

Key personnel who participated in the preparation of this report include:

### U.S. Department of Interior, Bureau of Reclamation

- Donald Young, Assistant Area Manager
- Paul Rose, Resource Branch Chief
- Mike Walker, Supervisory Biologist
- Chris Bates, Environmental Protection Specialist
- Andrea Campbell, Natural Resources Specialist

### Coachella Valley Water District

- Don Mitchell, Biologist
- Robert Robinson, Engineer

### Metropolitan Water District of Southern California

- Tom Ryan, Environmental Specialist
- Kirk Dimmitt, Principal Engineer

Key Personnel from **KEA Environmental** who contributed on this project include:

Tom Larkin, Principal-In-Charge  
B.A. Zoology, University of California,  
Davis  
Years of Experience: 27

Kevin Derby, Restoration Biologist  
B.A., Environmental Conservation,  
University of Colorado  
Years of Experience: 8

Michael Schwerin, Project Manager  
B.A. Engineering, Dartmouth College  
Years of Experience: 11

Jim Prine, Restoration Biologist  
B.S., Forest Ecology, University of  
Michigan  
Years of Experience: 11

Lyndon Quon, Wildlife Biologist  
B.A. Ecology, Behavior, and Evolution,  
University of San Diego  
Years of Experience: 11

Elizabeth Candela, Environmental Analyst  
B.A. Environmental Studies and Geography,  
University of California Santa Barbara  
Years of Experience: 1

Jim Kurtz, Environmental Engineer  
B.S. Engineering, University of California,  
Los Angeles  
Years of Experience: 29

Angela Johnson, GIS Specialist  
B.A. Computer Graphics, San Diego State  
University  
Years of Experience: 9

Eric Wilson, Environmental Analyst  
B.A. Environment, Economics, and Politics,  
Claremont McKenna College  
Years of Experience: 4

Daniel Brandy, Graphic Artist  
B.A., Fine Art, San Diego State University  
Certificate of Completion, Platt College  
Years of Experience: 7

Monica Diaz, Word Processing  
Year of Experience: 3

This Final EIS/EIR and the associated Revised and Updated Draft EIS/EIR were based on the previous (1994) Draft EIS/EIR, prepared by the Bureau of Reclamation with the CVWD and MWD. The preparers for the previous Draft EIS/EIR are listed below (note that “years of experience” refers to the preparers’ experience as of 1994, not 2000):

**Bureau of Reclamation**

Tina Armentrout, Desktop publishing and  
word processing  
Editorial Assistant  
Years of Experience: 10

Dianne Clark, Technical writing and editing  
B.S. Journalism  
Technical Writer-Editor  
Years of Experience: 4

Charles Brown, Graphics  
B.S. Occupational Education  
Visual Information Specialist  
Years of Experience: 15

Martin Einert, Team leader  
B.S. Civil Engineering  
Project Planner  
Years of Experience: 25

Les Haussler, Social assessment, recreation,  
and public involvement  
B.S. Sociology, and Economics  
Sociologist/ Economist  
Years of Experience:19

Rusty Schuster, Colorado River impact  
analysis  
B.S. Civil Engineering  
Program Manager  
Years of Experience: 18

Jack Haynes, Cost estimates  
Engineering Technician  
Years of Experience: 23

Bernice Sullivan, Technical writing and  
editing  
Technical Writer-Editor  
Years of experience: 12

Rob Leutheuser, Terrestrial and aquatic  
biology  
B.S. Resource Management  
Years of Experience: 16

Sally Sundberg, NEPA Compliance  
Ph.D. Language and Literature  
Years of Experience: 8

Joan Middleton, Cultural resources  
Archeologist  
Years of Experience:14

Dennis Watt, Geohydrology and canal  
seepage  
B.S. Geology  
Ground-water Geologist  
Years of Experience: 16

Gordon Mueller, Fishery mitigation  
Fishery Biologist  
Years of Experience: 14

Larry White, Terrestrial biology  
B.S. Biological Sciences  
Biologist  
Years of Experience: 10

Leslie Pehrson, Graphics  
Engineering Technician,  
Co-Operative Education Student  
Years of Experience: 1

Michael Pucherelli, Wetlands acreage  
determination, digital analysis  
Head, Remote Sensing, and Geographic  
Information Section  
Years of Experience: 13
