*acre-feet								
**Projected savings								

¹ Conservation under this agreement is being transferred from GM Gabrych Family Limited Partnership to Matador, who purchased the lands and water right from GM Gabrych Family Limited Partnership. The System Conservation Implementation Agreement (SCIA) is being assigned and will be executed with Matador for 2024 and 2025 conservation volumes. This table will be updated with the new SCIA with Matador after it has been executed.
