Subject: America's National Parks Deserve Consideration and Participation in Colorado River Basin Decisions!

Dear Pam Adams,

Once upon a time here in America, a Republican, Teddy Roosevelt, saw the beauty of the American wild places, and knew the value of wildlife and ecosystems.

Please continue to protect national treasures from self-interested companies that would exploit our parks and reserves for their own gain.

"Here is your country. Cherish these natural wonders, cherish the natural resources, cherish the history and romance as a sacred heritage, for your children and your children's children. Do not let selfish men or greedy interests skin your country of its beauty, its riches or its romance."

Theodore Roosevelt

Thank you for considering my comments.

Sincerely,
Mrs. Dawn Olney
