APPENDIX E

Photo Inventory of the Project Area
And Rancho Mirage PBS Fence

Prepared by

Terra Nova Planning & Research, Inc.
42635 Melanie Place, Suite 101
Palm Desert, CA 92211

May 2016
Appendix E: Photo Inventory

Figures 1-24: Existing Conditions in the Project Area
(Figures 1-4: CVWD Sheep Exclusion Fence)

Figures 25-48: Rancho Mirage Sheep Exclusion Fence
Existing Conditions in the Project Area

May 2016
La Quinta, California

**Figure 1:** Looking north from the Coachella Canal. CVWD sheep exclusion fence on left. SilverRock golf course on right.

**Figure 2:** Looking north along CVWD sheep exclusion fence. Coachella Canal on right. Project staff shown for scale.

**Figure 3:** Looking south along Coachella Canal. CVWD sheep exclusion fence on right. SilverRock golf course on left.

**Figure 4:** Looking south from the mountain side of the CVWD sheep exclusion fence.
Existing Conditions in the Project Area
May 2016
La Quinta, California

Figure 5: Coachella Canal crosses through portions of SilverRock golf course

Figure 6: SilverRock golf course adjacent to foothills (bridge over Coachella Canal is visible to the left)

Figure 7: SilverRock golf cart path adjacent to foothills

Figure 8: SilverRock golf course stairs adjacent to rocky terrain
Existing Conditions in the Project Area
May 2016
La Quinta, California

Figure 9: PGA West golf course greens and cart path adjacent to Santa Rosa foothills (looking south)

Figure 10: PGA West golf course greens and cart paths adjacent to foothills (looking north)

Figure 11: PGA West homes in proximity to golf course (looking east)

Figure 12: Four Peninsular bighorn sheep grazing in PGA West yards (looking northeast)
Existing Conditions in the Project Area
May 2016
La Quinta, California

Figure 13: PBS grazing on golf course greens (PGA West)

Figure 14: PBS grazing on golf course greens (PGA West)

Figure 15: PBS feeding on golf course vegetation (PGA West)

Figure 16: PBS grazing in close proximity to golfer (PGA West)
Figure 17: PGA West golf course adjacent to toe of slope

Figure 18:PGA West golf course adjacent to toe of slope

Figure 19: Adjacent to west boundary of Quarry golf course
(looking west)

Figure 20: Adjacent to west boundary of Quarry golf course.
Cart path and greens visible to the left. (looking south)
Existing Conditions in the Project Area
May 2016
La Quinta, California

Figure 21: Cobbles and boulders near Quarry golf course’s northwest lobe

Figure 22: Sandy substrate near Quarry golf course’s northwest lobe

Figure 23: Fairway on the Quarry golf course’s northwest lobe

Figure 24: Varied terrain near the Quarry golf course’s northwest lobe
Rancho Mirage Sheep Exclusion Fence
Constructed 2002
Rancho Mirage, California

Figure 25: Chain link materials

Figure 26: Diagonal spacing

Figure 27: Vertical spacing alternative

Figure 28: Vertical spacing
Rancho Mirage Sheep Exclusion Fence
Constructed 2002
Rancho Mirage, California

Figure 29: Flapper gates in lower portion of fence

Figure 30: Flapper gate in lifted position

Figure 31: Gaps eliminated at ground surface

Figure 32: Substrate covering gaps at ground surface
Rancho Mirage Sheep Exclusion Fence
Constructed 2002
Rancho Mirage, California

Figure 33: Concrete footer

Figure 34: Construction challenges on sloping terrain

Figure 35: Footer in rocky terrain

Figure 36: Signage
Rancho Mirage Sheep Exclusion Fence
Constructed 2002
Rancho Mirage, California

Figure 37: Vehicle gate

Figure 38: Pedestrian gate

Figure 39: Connection to pre-existing fence

Figure 40: Filling gap between walls
